### Weekly Viz Assignment #5

[https://www.reddit.com/r/dataisbeautiful/comments/11d7mla/oc\\_breakdown\\_of\\_brits\\_dietary\\_choices\\_by\\_age\\_group/](https://www.reddit.com/r/dataisbeautiful/comments/11d7mla/oc_breakdown_of_brits_dietary_choices_by_age_group/)

This week I chose a visualization from reddit, which displays the eating tendencies of brits. The data is from Our World in Data, and was created using a chart creator. Found it very interesting that the largest population of vegetarians and comes from the youngest group, while pescatarians seem to be of various ages.
